Invitations to annual volunteer appreciation event for all volunteers						

*NOTE: Sponsors may donate back build days. Habitat MCTX has many non-sponsor groups that want to help build but are not able to provide funding. If sponsors provide volunteers, they must adhere to our safety guidelines. In the event that inclement weather causes build days to be canceled, best efforts will be made to reschedule volunteer opportunities to a mutually agreed upon date. However, rescheduled volunteer opportunities may not be guaranteed.

Sponsor Information
